

MEASURE BB

INVESTING IN SANTEE'S LOCAL SCHOOLS

SAFE SCHOOLS. STRONGER LEARNING. BRIGHTER FUTURES.

SERVING OVER
6,000 STUDENTS
IN OUR COMMUNITY

Our district has proudly served the Santee community for over 130 years. Our schools are **50–70 YEARS OLD** with aging infrastructure.

THE IDENTIFIED NEED
~\$72.8 MILLION
IN FACILITY NEEDS

Engineers and facility experts independently assessed more than **1,500** school facility assets and identified approximately **\$72.8 million** in repair and improvement needs across the District.

THE REQUEST

\$30 MILLION
LOCAL BOND MEASURE

ONLY 41% OF THE IDENTIFIED NEED

Measure BB would provide **\$30 million in locally controlled funding** — **approximately 41%** of the identified **need** — allowing the District to prioritize the most essential infrastructure repairs and improvements.

WHAT WOULD MEASURE BB FUND?

Repair roofs, plumbing and sewer systems

Repair or replace HVAC, ventilation and air-conditioning systems

Improve security fencing and add keyless entries to school offices

Repair aging classrooms, sidewalks and parking lots

Improve playgrounds and play fields

Construct a multipurpose center for physical education, after-school programs and community activities

MEASURE BB

LOCAL FUNDING, STRONGER SCHOOLS AND VOTING INFORMATION

INVESTING IN SANTEE'S STUDENTS TODAY FOR TOMORROW.

NO INCREASE TO THE CURRENT TAX RATE

Measure BB would extend the current tax rate, but **not increase it**. The average annual levy is estimated to remain **less than \$13 per \$100,000** of assessed valuation.

\$30.2 MILLION IN TAXPAYER SAVINGS

Since 2015, the District has saved taxpayers approximately **\$30.2 million** by refinancing/refunding previous bonds when favorable financial conditions allowed.

ACCOUNTABILITY & TAXPAYER PROTECTIONS

Measure BB would:

- ✓ Require independent citizen oversight
- ✓ Include annual independent financial and performance audits
- ✓ Ensure funds are spent only on voter-approved Santee School District facility projects
- ✓ Prohibit the use of bond funds for administrator salaries, pensions or benefits
